1. Why are you getting this notice?

Our records indicated that your tax debt in the amount of \$118,287 may qualify for the 2011 tax settlement program. This new program may enable you to settle your current debt for a fraction of the amount.

Internal Revenue Code authorizes the IRS to accept less than full amount of tax liability owed in any IRS civil or criminal case arising under the tax laws. For an Offer in Compromise to be accepted the taxpayer must establish to the satisfaction of the IRS that the taxpayer either: has no means of paying the tax or does not actually owe the tax.

The goal is to achieve collection of what is potentially collectible at the earliest possible time and at the least cost.

**Summary of proposed settlement based on eligibility**

Current Tax Debt	Proposed Settlement	Settlement Rate
\$118,287	\$11,829	-90%
